PRICE LIST

FALL 1937

SPRING 1938

This price list is supplementary to and a part of our regular descriptive catalogue and is issued periodically. In it you are likely to find items not listed in the catalogue, while, on the other hand, some items in the catalogue will not be priced in this list as our stock varies from season to season. Our aim is to have the old standard varieties as well as the best of the new ones.

You are invited cordially to come out to the nursery and see our stock as it grows. If you are interested in plants, we feel sure that we can make it of some interest to you as we delight in showing our stock. We should like to be of service to you should you have problems in either growing or planting.

If you have not received or have lost your copy of our descriptive list, we will be pleased to send you another one.

Do not forget to come out and ramble around, and, if you want something that we do not have, we will try to secure it for you.

JONES ORNAMENTAL NURSERY

HOBBS ROAD AT ESTES AVE.

NASHVILLE, TENNESSEE

HOWELL NURSERIES

This list is arranged alphabetically for your convenience and cancels all previous lists.

Plants selected and tagged at the nursery are charged for individually according to value, and these prices do not apply.

Plants marked B&B are balled and burlapped for greater safety in handling and planting.

See our descriptive catalogue for terms of sale.

We do not guarantee plants to grow but, if we think that proper care and attention have been given them, we will replace at half price all plants that have died the first season.

PERENNIALS

Our perennials are priced at 25c each, \$2.50 a dozen (when a dozen of one variety is taken, except where noted. Perennials selected at the nursery and taken with a ball of dirt are priced according to the clump and individually. Those plants starred are suitable for the rock-garden. We do not guarantee perennials to grow under any conditions whatsoever.

Achillea Millefolium roseum	Aster Birdsong
* Ptarmica The Pearl	Climax
* tomentosa	Dwarf, Alpinus
* Actinea herbacea	novae-angliae rosea
Agrostemma coronaria	Sam Benham
* Ajuga reptans	Tartarica
* Alyssum saxatile compactum	* Aubrietia deltoides Eyri
Anchusa italica Dropmore	Baptisia australis
* Myosotidiflora	* Bellium bellidioides
Anthemis tinctoria	Boltonia latisquama
Aquilegia canadensis	* Cactus
chrysantha	* Calamintha alpina
Long-spurred Hybrids	* Callirhoe involucrata
* Arabis alpina	Campanula carpatica
* Arenaria verna	media Blue, Rose, White
Artemesia lactiflora	pyramidalis
